Special Pre-CPhI Worldwide 2019 Event **“Collaborate and Network”**

November 4th, 2019, 18:30-22:30
Hilton Frankfurt City Centre
Frankfurt / Main • Germany

For about 20 years the Pharma Licensing Club Deutschland (PLCD) has been providing networking and training opportunities for business development executives in the Pharma industry in Germany. With more than 600 members, the PLCD represents the biggest platform of interaction and cooperation between BD professionals. At the important CPhI event in Frankfurt, the PLCD offers a special networking meeting **for all Pharma Licensing Groups in Europe and their guests**. Purpose of the meeting is to exchange ideas with existing and new potential partners - from other Pharma companies and from suppliers and contract manufacturers.

We will also have the great honor of welcoming Nadia Zieger, Key Account Manager at Lonza AG, Basel. Nadia will share with us some insights in successful collaborations between suppliers and Pharma companies.

We are confident that this event will strengthen ties, business and friendships between members of the PLG associations and their guests.

We hope to see you in Frankfurt.
